

**YOU ARE INVITED!!! Sunday 10.18.2020**  
**Love Fellowship Baptist Church Indoor Worship**

In light of Covid-19, it is important that we worship together with appropriate precautions. In preparation to resume worship inside the building, we have developed a process that will allow us to worship freely but safely. It is imperative that all of us adhere to the guidelines provided.

**Arrival Time:** We are asking that everyone plan to arrive at church between **10:00am and 10:15am**. Doing so will allow ample time for parking and seating. Worship will begin promptly at 10:30am. Service will be shorter than normal; thus, arriving late will cause you to miss more than you would if you were late under normal circumstances.

**Masks:** Everyone must enter in the main doors of the church wearing a mask. If you do not have a mask, please let the ushers know and they will provide you with one at no cost to you. Anytime you are moving around in the building please wear a mask.

**Building Entrance and Exit:** The back and side doors will be unavailable for entrance for morning service. Everyone will enter and exit the building through the main doors at the front of the building. Please maintain six feet of distance as you enter the building to comply with social distancing guidelines. For church dismissal, we will follow the instructions from the pulpit.

**Communion and Offering:** On communion Sunday ushers will distribute communion kits upon entry. When exiting the building, you may dispose of your communion package at the designated location. If you do not use our online giving platform, you may leave your offering before or after service in one of the designated baskets located at the entrance and exit doors.

**Seating:** The sanctuary has been set up to provide socially distant seating for all guests. Only seats with colored tape are available for use. **Red tape** is for family sizes up to four people. **Black tape** is for individual seating. **Green tape** is for larger family sizes of five or more. It is critical that you follow the instructions of the ushers for seating. Please allow the ushers to guide you to your seat.

**Restroom Access:** To limit movement in the sanctuary, maintain proper distancing, and to ensure ushers have the opportunity to seat everyone in an orderly fashion, please be seated for worship first, then see an usher for restroom access. Under no circumstances will ushers permit children under 12 to access restrooms without a parent.

**Sanitation:** Hand sanitizing stations will be available throughout the sanctuary and in the restrooms. Cleaning supplies will be available in both restrooms. Please do your part to keep restrooms sanitized for the next persons use.

Finally, if on Sunday morning you feel sick or are showing symptoms related to Covid-19; if you know that you have been in contact with someone who has tested positive for Covid-19 within the last 14 days; or if you have a compromised immune system, for your benefit we will continue broadcasting Sunday worship via Facebook Live and Zoom so that you can view the service from home.

Respectfully,

Building Re-Entry Committee
